Testimonial Starters

We've done our best to help you,
would you now please take a few minutes to help us?

Now that Closing is here and things will start getting settled for you, we wanted to ask you to help us spread the word to other potential buyers and sellers by writing a short **review**. We use this as evidence of our commitment to our clients and we would really appreciate adding your thoughts of support.

IndyQuest Properties strives for: professional, caring, competent service wherein our clients can count on us to be honest, trustworthy, to negotiate for their best interest, and to treat them like family.

How else can you help?

1. Please complete the short Client Experience Rating that you will receive in the next week or so from HAR. These ratings are published on HAR and are visible to the public. (Hint: 5 out of 5 is what we are aiming for.)
2. Rate us on **"Yelp!"** and you can even leave the same review there as well. You can find me by doing a "Member Search".
3. Make a Recommendation for us on LinkedIn. We'll make sure that we're connected, so once we are, please take a moment to recommend us.
4. Let us put a **"Thank You IndyQuest"** sign in your yard for a couple of days. We would especially love to take a picture of us with you in front of the sign for our website.
5. Please DON'T keep us a secret! **Join the *IndyQuest Elite*** by passing along referrals to us. We give quarterly prizes for referrals received that quarter plus many other rewards! When you notice people talking about real estate in the next few weeks, please pass along our name!

Your help on this is greatly appreciated!! It has been a pleasure to work with you and helping you achieve your real estate dream!
